## INSIDE THE GAME

### Pope John opens 2018 season vs. DePaul

The Pope John Lions will open their 57th football season, as they host defending state champion DePaul for its first game in 2018.

The Lions will also begin their third season in the North Jersey Super Football Conference United White Division with their first game against the two-time defending champion Spartans from Wayne.

Despite finishing with a 6-4 record in 2017, Pope John is coming off a season in which it finished second in the United White Division and reached the Non-Public, Group 3 semifinals for the second consecutive season. During the season, the Lions reached as high as No. 4 in the News12 Varsity Tri-State Top 20 poll, No. 6 in the NJ.com Top 20 poll, No. 7 in the USA Today High School Sports Super 25 East Regional rankings and No. 98 in the High School Football America Top 100.

The offense will benefit greatly from having two future NCAA Division I playmakers return for their senior years in second-year starting quarterback and Niko Hroncich and wide receiver Tajimier Jones. Hroncich threw over 1,000 yards and had 13 touchdowns, while Jones snagged three TDs while making 27 receptions for 308 yards in 2017.

The defense will once again be the bedrock of the Lions. Division I recruits Ireland Burke and Louis Montana anchor the defensive line while defensive backs Chris Rodriguez and Anthony Holmes hold down the secondary.

Pope John will be looking to win its first game against DePaul after coming up short in its first five attempts. The closest the Lions came to beating DePaul was in 2016, when they lost, 23-20, in the Non-Public, Group 3 semifinals.

DePaul is seeking to become back-to-back Non-Public, Group 3 state champions this season. Quarterback Ta'Quon Roberson and wide receiver Ronnie Hickman lead the offense, while linebacker Chris Conti heads the defense.

## NEXT LEVEL LIONS

Since 2012, the Lions have had 53 players go on to play college football.

Among this 53-man group, 2014 graduates Noah Brown and Ryan Izzo have gone on to be drafted to play in the National Football League after enjoying standout careers at Pope John and at their respective NCAA Division I universities.

Brown is in his second year with the Dallas Cowboys after being picked in the seventh round by them in the 2017 NFL Draft. Following a three-year career at Ohio State University, Brown became Pope John's first graduate to play in the NFL, seeing time in 13 games with the five-time Super Bowl champion Cowboys and making four receptions for 33 yards while playing 279 total snaps.

Izzo is looking to become the second Pope John graduate to play in the NFL after being drafted in the seventh round by the New England Patriots in April. Izzo is coming off a three-year career at Florida State University, where he made 54 catches for 761 yards and six touchdowns while also being a terrific blocker.

While Brown and Izzo are competing at the highest level of football, the Lions currently have 34 alums playing in college. ## HEAD COACH BRIAN CARLSON

Brian Carlson was named the sixth head coach in the history of the Pope John XXIII Regional High School/Our Lady of the Lake football program on April 1, 2011.

Since superseding the legendary Vic Paternostro, who led the Lions to 20 state championships in 43 seasons, Carlson has been putting his stamp on the program.

Entering his eighth season this year, Carlson has guided the Lions to a 46-27 record, three NJAC American Division titles and a Non-Public, Group 3 championship game appearance in 2013.

In 2014, Carlson helped the Lions elevate the program by having them face some of the best teams in the state in Paramus Catholic and DePaul. After two years of only having these two powerhouses on a schedule primarily filled with public schools from Sussex and Morris counties, the Lions started playing an exclusive non-public school schedule that featured some of the top private schools in the Northeast.

Now, the Lions play and scrimmage nationally-known teams such as Bergen Catholic, Paramus Catholic, St. Joseph-Montvale, Don Bosco Prep, DePaul, St. Peter's Prep, St. John's College High School (Washington, D.C.), Archbishop Wood (Pa.), and Malvern Prep (Pa.) on an annual basis.

Off the field, Carlson helped the Lions excel in the classroom and in the community.

Academically, 53 Lions have gone on to continue their academic and athletic careers at the NCAA level. This fall, 20 members from the Class of 2018 will be playing on the college gridiron, with 14 of them competing at the NCAA D-I or Division II level. The Class of 2018 also earned over \$2 million in athletic and Merit scholarships. In addition, the Lions finished the 2017-18 school year with a combined 3.05 GPA. Moreover, 38 percent of the team (out of 95 players) was recognized for Academic Achievement (either Distinguished Honors, 1st Honors or 2nd Honors).

In the community, the Lions have volunteered their time to local charities and organizations, such as SCARC and senior citizen homes.

Another big achievement of Carlson's at Pope John was forming the Jr Lions Athletics Program — a program that offers six sports to boys and girls in grades K-8 who attend Pope John High School, Pope John Middle School and Reverend George A. Brown Memorial School while modeling them after the way Pope John runs its varsity squads.

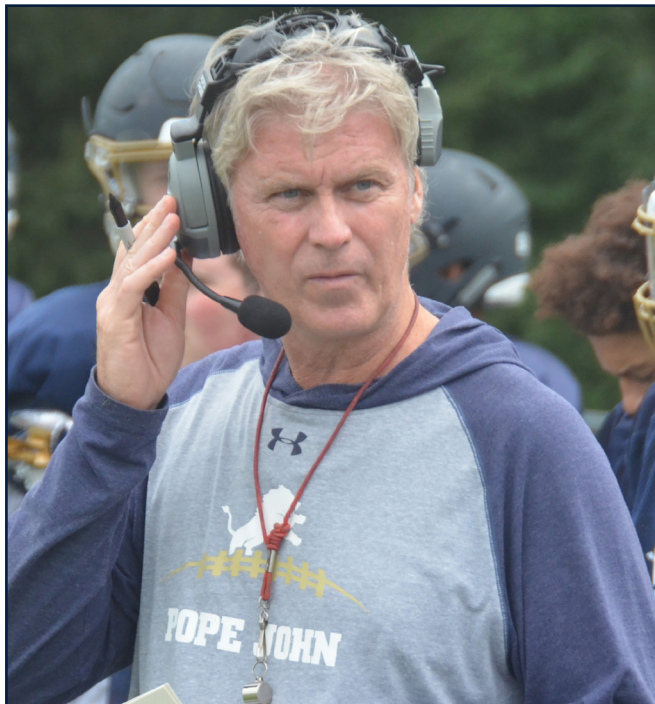

Carlson laid the groundwork for the program by using the vision he has for the football team as the "template." The football team is run by faith-based principles, is committed to the highest academic standards, and thrives on competition, otherwise known as "Faith, Family, Football."

The program has taken off since its inception in 2017, as it has over 400 students competing, including over 200 for football.

Before coming to Pope John, Carlson spent the 2010 season as the linebackers coach at Don Bosco Prep and was previously the head coach of Kean University's football program for eight seasons from 1992-99. During his tenure, he helped the school win a NJAC co-championship and the ECAC South Bowl championship.

A native of Saddle Brook, Carlson is a 1979 graduate of Paramus Catholic and a 1983 graduate of Montclair State University, where he played as a linebacker/defensive end for four years and was captain of the team as a senior. He earned his BS degree in Economics. He was also the CEO of Parisi Sports Inc., a position he held for over 10 years.

In addition to coaching, Carlson is a business teacher at Pope John and has served as the department's chair for the last three years. He lives in Sparta with his wife, Donna and their two children Brendan and Kate.

## THE SERIES VS. DePAUL

The Lions and DePaul have played each other 11 times dating back to 1984, with DePaul leading the series at 6-5.

The Lions practically owned the first six meetings — all of which took place in the state playoffs — against the Spartans, going 5-1 against them.

In the first meeting, the Lions posted a 21-7 victory over the Spartans in the Parochial B North playoffs. The win put the Lions in the Parochial B North championship game for the sixth year in a row and ninth time overall in program history.

The second meeting took place in the 1988 Parochial North B championship game, and the Lions came out on top, 12-7, to claim their third state title in a row and 10th overall in school history. Two years later, the Lions met the Spartans in the Parochial North B title game again and posted a 21-14 win to capture their fifth consecutive state title and 12th overall.

Then in 1992, the Lions suffered their first loss to the Spartans, as they fell, 28-21, in the Parochial B North title game. The loss snapped the Lions' state title streak at six in a row.

Then in 1996 and 1997, the Lions picked up two straight victories, both of which came in the Parochial, Group 2 championship game.

In 1996, the Lions pulled out a 14-7 win to collect their 16th state title and cap their eighth unbeaten season in school history. In 1997, the Lions rolled past the Spartans, 44-13, to win their third state title in a row and 17th overall.

However, the Spartans took control of the series by winning the last five meetings.

In 2014, they renewed their rivalry after a 16-year hiatus and the Spartans rolled to a 49-14 win. Over the next three seasons, the Spartans posted victories of 37-0, 26-14, 23-20, and 35-0, with the 23-20 victory coming in the Non-Public, Group 3 semifinals.

## LAST MEETING

Coming off a heartbreaking 20-19 loss to top-ranked Bergen Catholic, the Lions went into their matchup with DePaul on Oct. 27 at DePaul looking to not only notch their first win against the Spartans since playing them annually, but also capture the NJSFC United White Division title and grab the No. 1 seed in the Non-Public, Group 3 playoffs.

Unfortunately, the Lions struggled mightily against the Spartans and wound up losing, 35-0, on the road to allow the Spartans to win the United White title and secure the top seed in the state playoffs.

The Lions gave up 27 of DePaul's 35 points in the first half. On offense, the Lions gained just 84 total yards and had to punt on seven of their 10 drives in the game.

## 2017 POPE JOHN XXIII HIGH SCHOOL FOOTBALL SEASON HIGHLIGHTS

The Lions had a lot of highs and lows during their 6-4 season in which it finished second in the North Jersey Super Football Conference United White Division and reached the Non-Public, Group 3 semifinals for the second consecutive season.

During the season, the Lions reached as high as No. 4 in the News12 Varsity Tri-State Top 20 poll, No. 6 in the NJ.com Top 20 poll, No. 7 in the USA Today High School Sports Super 25 East Regional rankings and No. 98 in the High School Football America Top 100.

They accomplished these feats by winning their first five games in a row, which included their first victory over an out-of-state opponent (Bishop McNamara of Maryland) and their first win over Paramus Catholic since they started playing the Paladins annually four years ago. They also took Bergen Catholic, the consensus No. 1 team in the Tri-State area, down to the wire in a regular season clash on the road before falling, 20-19, to the Crusaders — the eventual Non-Public, Group 4 champions.

The Lions ended up losing four of their last five games to St. Joseph-Montvale (twice), Bergen Catholic and

DePaul — the eventual Non-Public, Group 3 champion.

The Lions' lone victory during this stretch was a 53-7 win over Donovan Catholic in the first round of Non-Public, Group 3. Their season ended with a 28-7 loss to St. Joe's in the Non-Public, Group 3 semifinals.
